July 3, 2017

In 1989, the first meeting of Chatham Habitat for Humanity was held at St. Bart's Episcopal Church in Pittsboro. Twenty-eight years and 129 houses later, our work is still rooted in the Chatham County faith community. I'm thrilled to report that our 2016-2017 Apostle Build is complete! Twenty seven churches across Chatham County came together to raise money and provide volunteer support for the construction of two Chatham Habitat homes in Siler City. Today, families are living in both of those homes. That wouldn't be possible without your church's commitment.

We are excited to announce the beginning of Apostle Build 2017-2018! This year, we will continue our Apostle Build tradition by partnering with Chatham County churches to build two homes – Chatham Habitat's #130th and #131st – in Siler City.

Your congregation has been an important part of our success, and I hope that you're excited to continue working together – we have the chance to change the lives of our neighbors again this year. I would love to have the opportunity to speak with you and your church further about this year's Apostle Build – please feel free to look through and share the Habitat information included in this packet with your congregation, and I will be in touch with you in the coming weeks.

In Partnership,

Mechelle Thompson

Volunteer & Church Partnership Manager
