Appendix A Building Use Application

I. Overview

We believe that our church building and green space are gifts from God. We choose to use these gifts in accordance with our core values of **Welcome, Worship, and Witness**. We open our doors to share these gifts with our community. We welcome without regard to gender, race, ethnic origin, sexual orientation, ability, or any other human condition.

We believe that we are called to be good stewards of all that God has given us. We expect all users to be sensitive to energy conservation and recycling practices. We encourage use of environmentally sensitive, recycled and recyclable products. The use of these facilities should be consistent with the mission of Chapel in the Pines (CIP).

Once Chapel in the Pines is contacted by an individual or group wishing to use the facilities, any part or all, the office manager will check the church calendar to ensure the requested space is available. If the space requested is available, a Chapel in the Pines Presbyterian Church Building Use Application (see page 6) is to be completed and submitted to the church office. The Building Use Review Committee (BURC) will review the application to assure the stated goals of the applying organization and purpose of the event do not conflict with the mission and values of Chapel in the Pines. If the request is denied, the reason for the denial will be provided to the applicant.

The BURC consists of representatives from the Building and Grounds Committee, the Finance Committee, the Fellowship Committee and the staff (pastoral and janitorial).

II. CIP Office Manager & Event Coordinator (not an event *planner*)

You and your planning team will use our Event Coordinator (EC) as your point of contact for large non-member events or our Office Manager (OM) for small non-member events. When you submit your application to the Office Manager, the Office Manager will determine if the EC will be assigned.

Revised June 22, 2022

The Office Manager or Event Coordinator will be assigned as the general liaison between CITP and your event. The OM or EC functions as the central administrator for the event to streamline communication and avoid confusion. The OM or EC will meet with you to review this document, assist in the completion of the application, and resolve any coordination with other CITP personnel.

If you are a member, you may be able to accomplish coordinating the event without the use of the EC by working with the Office Manager. If a member is hosting a large event, the EC may be retained for a fee (see Section VI).

III. Policies and Guidelines

Policies and guidelines include, but are not limited to, the following:

- All members or groups must complete a Building Use Application (see Appendix A).
- All members or groups agree to hold harmless CITP and indemnify the church and defend any claim or action against the church arising out of any incident resulting in any loss or damage to persons or property occurring on the premises of the church in conjunction with the usage for which application is herein made. Additionally, members or groups will be responsible for damages to the facilities, the contents thereof, or the grounds, and agree to pay the cost for repairing such damages. *All groups using the church will include with their applications their Certificate of Insurance naming Chapel in the Pines as an additional insured or will indicate that the group does not have insurance.*
- Chapel in the Pines provides no event planning or commercial conference services.
- Fund-raising events are not allowed in CITP facilities nor on the grounds, by any group, without prior Session approval.
- The buildings *and or grounds* may not be used for any for-profit purposes (such as music lessons, sales meetings, commercial enterprises, etc.)
- Applicants understand that CITP reserves the right to reschedule an approved reservation (due to unforeseen natural disasters or a church emergency, such as a funeral) **up to three days** before scheduled event, and that the church is not liable for hardships caused by such a rescheduling.
- Smoking is not permitted beyond the driveway entrance at Great Ridge Parkway, including the buildings, grounds, parking lots, Remembrance Garden, and woods.
- Alcoholic beverages may not be consumed nor brought onto the property.
- Weapons are not allowed on church property.
- The throwing of confetti is not permitted on church property. The use of glitter and Helium balloons are not permitted. Bubbles may be used outside the buildings.
- A late fee may be charged if the event does not end by the time stated in the agreement. Because the church has worship on Sunday mornings, events must end in time for the participants and caterers to vacate the property by 10:00 p.m. so the janitorial staff can prepare the buildings for Sunday services.
- It is the responsibility of the event's representative signing the agreement to make necessary arrangements for inclement weather. The parking lot is not plowed by the church during snow and ice events.
- CITP has a safe church policy that requires children and youth to be supervised at a ratio of 10-1 with a minimum of one adult (25 or older) and one other person (16 or older) for an event. All supervisors working with children will be subject to background checks prior to the event at the organization's expense (\$10 per person checked).
- Service dogs are welcomed, but no other pets or animals are allowed in the buildings.

Revised June 22, 2022

- Overnight use by members and CITP-sponsored groups must be approved four weeks in advance by the Session.

IV. CITP PRIORITIES

Members and groups wishing to use the facilities **must first contact the Office Manager** to check availability and then receive advance approval through use of this application.

1) CITP standing functions

All CITP groups, including, but not limited to committees, music and choirs, educational groups, fellowship groups, prayer and worship groups, may use the building at **no cost**. Events must be on the church calendar by the Office Manager to prevent double-booking of space.

2) CITP members

CITP members may schedule private events; depending on availability, at **no charge**.

3) Non-CITP groups

- Sponsored groups (approved by the Session) may use the facility at **no cost** as part of the church's outreach. A key deposit is required.
- Sanctioned groups that have been approved by the Session, but not directly supported by the church, *may use the facilities at the **stated costs shown in Section VI**.*

V. Terms of Agreement for Facility Use

- Approval of use of facilities is required four weeks in advance.
- All events in the Sanctuary should glorify God and comply with the church's mission of **"Welcome, Worship, Witness."** Any other use requires Session approval.
- Our facilities are completely ADA accessible; there are no steps, and all restrooms are ADA compliant. Animals are not permitted in the building, with the exception of assistance animals.
- Both the Sanctuary and the Fellowship Hall are equipped with an electronic system that supports a handheld wireless microphone and up to two ear-mounted microphones that are available for use. All sound amplified through microphones is also transmitted through a "hearing loop" to which users of certain hearing aids can tune for assistance. Also, there are hearing loop devices with headphones available in the credenza in the Narthex. If the event includes a dance in the Fellowship Hall, the group using the space must supply their own music sound system.
- By order of the Fire Marshal, the Sanctuary has a maximum capacity of 300. The standard layout of chairs in the Sanctuary seats approximately 225. Also, by order of the Fire Marshal, the maximum capacity of the Fellowship Hall is 125. If you have any questions about the capacity and seating layouts, contact the Office Manager or Event Coordinator.
- In addition to our Sanctuary, Chapel in the Pines makes our Remembrance Garden directly behind the Fellowship Hall available (usually for weddings, but available for other events, too). While this space is open to participants in all Chapel in the Pines events, it is important to understand that the lower level of the Garden is dedicated to deceased members of the congregation. As such, all activity and behavior in the Remembrance

Revised June 22, 2022

Garden must be respectful of the nature of this space and the lower level should not be used. If you have questions about this option, contact the Office Manager or Event Coordinator.

- Contracted caterer(s) must be approved by the Office Manager or Event Coordinator and must meet with the Office Manager or Event Coordinator at least 10 business days prior to the event. The Fellowship Hall will not be made available to caterers until the day of the event; they are expected to completely vacate the Fellowship Hall on the same day. For a late Saturday afternoon or evening event, the building must be vacated no later than 10:00 p.m. so that the janitorial staff can clean it for use on Sunday morning. *With prior arrangements made with the Office Manager or Event Coordinator, food may be stored in the refrigerator up to 48 hours before the event.* Any damage to the kitchen or equipment will be recovered from the deposit. If damages are more than the deposit, the applicant is responsible for the additional cost.
- Tablecloths and table decorations are permitted, but open flames are not permitted in the Fellowship Hall; if candles will be used, they must be enclosed in some sort of glass holder that rises higher than the top of the flame. Those using the building are responsible for ensuring that their event meets all county, state and Fire Marshal regulations. For example, decorative draping materials are forbidden per county fire code.
- While the church custodian will clean the facilities following a non-member, the event participants and all third parties are expected to make every reasonable effort to leave all areas, including the kitchen and the bathrooms, in presentable condition. If the Office Manager or Event Coordinator determines that the conditions of the facility will require excessive work on the part of the custodian (*e.g.*, trash or puddles on the floor; food residue on stoves, ovens, counters, or refrigerators), the deposit and additional costs will be charged. A cleaning checklist will be provided.
- Members may ask that the custodian to clean the facility for a fee (see Section VI). A cleaning checklist will be provided.
- Audiovisual equipment needed for an event must be supplied by the renter of the facility. Such equipment is not available from the church.
- Use of kitchen dishes, glassware and utensils is permitted. Any broken or missing dishes, glassware or utensils will be reimbursed via the deposit or additional fees if the entire deposit is needed for other damages.
- Before leaving, return all furniture and equipment to its original location. Make sure all dishes, glassware and utensils are washed and returned to their original places. Make sure all lights and appliances are turned off and no water is left running. Please remove all food, drink, trash, and recycling from the facilities and dispose of them elsewhere in an environmentally-friendly manner (not left on the church's property nor on Great Ridge Parkway).
- If the event is being handled by a member of the church, the member is responsible for making sure that all windows and doors are locked and alarms are set. A checklist of these tasks will be provided.
- If the event is for a sponsored group or sanctioned group that has received a key and alarm code, the leader of such group is responsible for making sure that all windows and doors are locked and alarms are set.
- Sponsored Groups that are meeting on a **regular basis** may be issued a key with a \$50 replacement fee charged for lost keys. Sponsored Groups that are meeting on an **occasional basis** must pay a \$50 key deposit that will be refunded upon the return of the key. The alarm system's code is changed on a schedule. The OM or EC will provide the current code which is to be kept confidential by the renter. The code changes occasionally, so it is important to check to ensure the current code is known.

Revised June 22, 2022

- If the event requires the presence of the OM or EC, that person will make sure that all windows and doors are locked and alarms are set.

VI. Fees Schedule and Financial Arrangements

Fees are due at the time the application is presented. All deposits must be paid by check. Insufficient fund fees that may occur will be the responsibility of the check writer. If the deposit is released in full, that check will be destroyed. If the deposit is released in part, that check will be cashed, and a CITP check for the difference will be issued within thirty days after the event.

Daily event fees for members and immediate relatives, staff, sponsored groups and sanctioned groups (NOTE—these prices are not for weddings; wedding prices are in a wedding policy document):
