

GIFTS OF TIME & TALENT

America's Got Talent . . . and so does Chapel in the Pines!

What's your talent?

In Romans 12, the Apostle Paul lists many gifts shared with different people from the same Spirit of God. This gives each of us the opportunity to consider our own talents and callings.

Chapel in the Pines has many talented members and we want everyone to have the opportunity to share their God-given talents for our ministry.

Below, please consider your spiritual gifts and corresponding ministries. Then, on the reverse side of this page, **check as many boxes as you feel called to explore**. An elder will contact you soon to discuss ways for you to share your gifts. Please make extra copies for others in your household. Each of our talents is welcome!
